

# 9<sup>th</sup> Annual San Gabriel Valley Track and Field Championships

Saturday, April 26<sup>th</sup>, 2014

**Time:** All Events start at 10:00am, gates will open at 8:30am.

**Tickets:** \$5 for adults; \$2 for students with ASB cards and kids.

**Facilities:** Nine-lane all-weather track and runways. There is a large warm up area adjacent to the stadium and the Clerk of the Course.

**Amenities:** There will be full and varied concessions, *ample restrooms*, meet programs, tee shirts (\$10) and Varsity Jacket Participant patches (\$25)

**Competition:** Varsity and Frosh/Soph Divisions for boys and girls. Track races will be timed finals. In Varsity LJ, TJ, SP, DT athletes will receive 3 trials, with top nine advancing to a final flight where they will receive 3 more trials. F/S field events get 4 trials

**Awards:** **Medals** will be awarded to the **top six finishers** in each division. Embroidered jacket patches will be awarded to all Varsity Champions.

**Championship trophies** will be awarded to each division winner.

The Milan Stewart Award, honoring the late and long-time coach of the Vikings Track Club and West Covina High School, will be given to the top male and female athletes of the meet.

Male and female Small Schools Athlete of the Meet for Div. IV competitors

There will be additional awards for the top Varsity sprinter/hurdler, distance runner and field event athlete for boys and girls.

**Entries:** We will **accept 27-45 athletes** to compete in Varsity and F/S track races, but the quality and amount of entries may lower or increase the number. We will accept **27-36** in throws and horizontal jumps and a smaller group in the vertical jumps.

Every participating school will be **guaranteed four Varsity entries per gender**, and all Varsity relay entries will be accepted

The **top sections/flights** will be the **best performers** regardless of school affiliation. The other heats or flights will be filled by a process that balances performance, broad participation and the guaranteed spots, so that one school's #1 athlete in an event may receive precedence over another school's #3 athlete even though the latter athlete might have a slightly better entry mark..

All entries will be made online through Athletic.net. Please consider using this excellent resource for recording all of your athlete's marks for the entire season.

**Entries will close at 9:00 pm on Sunday, April 20th.** There are no minimum standards, and you will be charged for accepted entries only.

We will give priority to documented entry marks. Documented marks must be 1) achieved in an invitational meet with publically posted marks. 2) Dual meets recorded contemporaneously in Athletic.net, i.e. teams must document their season on that website.

A list preliminary Accepted Entries and Alternates will be emailed to coaches by **Monday night, April 21**. You will have 24 hours to edit and correct your entries. The final Accepted Entries and Alternates will be emailed and published on **Wednesday, April 28**. Your fees will be based on this list.

Scratches made after the accepted entry list has been published and up to check-in time at the Clerk will be filled from the alternate list. Please note that since athletes qualify individually, schools may not substitute another athlete for the athlete who has scratched.

**Fees:** \$10 per accepted entry (including relays), with a maximum fee of \$600 for each school - \$300 for single gender schools. Checks for the fees should be made out to "Glendora High School Track and Field Boosters". If your school cannot produce a check by the meet date, or if the check is "in the mail", you may pay with a personal check, which will be held for three weeks in anticipation of the school check.

**Access:** Athletes are allowed on the infield and track only when competing. There will be designated coaching areas near the field events; otherwise coaches may not enter the infield or the track.

**Check-In:** Athletes must check in with the Clerk as early as two hours but no later than 45 minutes before scheduled start time of their event. This will allow us run full heats by accounting for late scratches, and enable the athletes to warm up properly rather than being held at the clerk for a long time.

Athletes should report back to the clerk 15 minutes before their race to receive final heat assignments and hip numbers. Athletes who do not check in and who do not receive a hip number will not participate. Coaches, please make sure your athletes understand this process.

Field event athletes should check in directly to the officials at their event site fifteen minutes before the event's scheduled start time.

**Results:** Will be posted shortly after each event. Complete results will be posted after the meet at PrepCalTrack.com, FinishedResults.com and SGVTrackandField.net

**Contact:** The Meet Director is Bob Ramsey
