The meet will not run ahead of schedule, unless we drop heats in the late afternoon

Field Events must check in with the event judge at the event site at least 20 minutes prior to the scheduled start time.

Athletes in lane races $(100,200,400,800$, both hurdles and both relays) must check in at the clerk and declare their intent to compete at least 45 minutes before their event's scheduled start time. Athletes in the $1600 \& 3200$ may skip this step.

All running athletes must return to the clerk 20 minutes before the scheduled start time to receive final lane and section assignments. Athletes who fail to comply with either of these requirements will be scratched.
